

`_readline`

```
graph LR; A[_readline] --> B[remove_lines_from_file]; B --> C[err_msg];
```

A flowchart with three rectangular boxes connected by arrows. The first box on the left is shaded gray and contains the text `_readline`. A dark blue arrow points from its right side to the second box, which is white with a black border and contains the text `remove_lines_from_file`. Another dark blue arrow points from the right side of the second box to the third box, which is also white with a black border and contains the text `err_msg`.

`remove_lines_from_file`

`err_msg`
