

update_status

```
graph LR; A[update_status] --> B[mark_process_status]; B --> C[err_msg];
```

A flowchart illustrating a sequence of three steps. The first step, 'update_status', is highlighted with a gray background. A dark blue arrow points from this box to the second box, 'mark_process_status', which has a white background. Another dark blue arrow points from the second box to the third box, 'err_msg', which also has a white background. All boxes are rectangular with black borders.
