

`_process`

```
graph BT; builtin[_builtin] -.->|func| process[_process];
```

The diagram illustrates a function call. At the top, a white rectangular box with a black border contains the text `_process`. Below it, a purple arrow points upwards towards the bottom of the `_process` box. To the right of the arrow's shaft is the text `func`. At the bottom, a gray rectangular box with a black border contains the text `_builtin`. A dashed purple line connects the top of the `_builtin` box to the base of the arrow.
